

Get Bonus Rewards

In addition to passive income, you can make money off constructing your own partner network. Our referral ranking system consists of 5 ranks:

	Line 1	Lines 2 - 10	Lines 11 - ∞
I Rank	100% of daily accruals, from your 1 line referrals	10% of daily accruals, from your 2-10 line referrals	0% of daily accruals, from all your referrals, starting from 11 line
II Rank			6% of daily accruals, from all your referrals, starting from 11 line
III Rank			10% of daily accruals, from all your referrals, starting from 11 line
IV Rank			14% of daily accruals, from all your referrals, starting from 11 line
V Rank			18% of daily accruals, from all your referrals, starting from 11 line

For Lines 11 and up an accrual compensation system is applicable.

Example: You have achieved V Rank, therefore you get 18% of daily accruals from lines 11 and further. However, your additional reward will be a compensation between your rank and partners rank. If there exists a partner of III Rank, you'll get (18%-10%=8%) of his daily accruals as a bonus.
